Awards Eligibility and Criteria

The Silicon Valley Engineering Council Engineering Education awards recognize young engineering and technology students for their dedication, focus, and commitment to engineering. Engineering and Technology students graduating from high school or presently enrolled in undergraduate community college or university programs are eligible to apply. Fulltime and part-time students are eligible. Students may receive an SVEC Scholarship award only once. Graduate students are not eligible.

While not all of these must be met by a successful applicant, it would be of advantage to the applicant if he/she can qualify most of the following criterion.

- *The applicant should be studying in bay area. The nine counties included in bay area are Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, and Sonoma.*
- *The applicant's program of study is directly focused on engineering or technology.*
- *The applicant has shown involvement in professional and/or student activities (i.e. engineering societies)*
- *The applicant has shown involvement in community and/or social services activities*
- *The applicant has two letters of recommendations from faculty members. Each reference letter needed to be sealed in a separate envelope. The reference letters need to be signed on the letter as well as on the sealed envelope by the faculty member. Please include these 2 sealed envelopes along with rest of your application in one bigger envelope.*
- *The student exhibits strong academic performance as shown by GPA in the major and overall, as well as strong recommendations from faculty advisors*
- *A brief essay describing the student's academic and professional goals is submitted for evaluation*

Please provide the names of your academic advisor and two references who know of your interest in engineering and technology:
